### Keynote speaker:

Dr Andreas Charidimou MD, MSc, PhD,  
Massachusetts General Hospital, Harvard  
Medical School, Boston, USA

Join us to learn about stroke care and management during this exciting one day programme, organised by *Dr Salim Elyas*, Consultant Stroke Physician at the Royal Devon and Exeter Hospital and Honorary Senior Clinical Lecturer at the University of Exeter Medical School and *Dr Martin James*, Consultant Stroke Physician at the Royal Devon and Exeter Hospital and Honorary Associate Professor at the University of Exeter Medical School.

Update your knowledge, share your experiences and expertise in this stimulating educational event which brings together a line-up of exceptional international, national and regional speakers who are all experts in this field. This event is aimed at all clinicians involved in stroke care, including consultants, SAS doctors, trainee doctors, GPs, nurses and therapists.

For a full programme for the day visit [www.exeter.ac.uk/medicine/cpd](http://www.exeter.ac.uk/medicine/cpd)

For general enquiries:  
email [UEMS\\_CPD@exeter.ac.uk](mailto:UEMS_CPD@exeter.ac.uk)  
or call 01392 722964

### Topics will include:

- Risk stratification in stroke and TIA
- Heart and brain
- Stroke mimics
- Stroke imaging and neurovascular intervention
- Psychology of stroke
- Stroke in the young
- The future of stroke management

### Cost:

- GPs and consultants £120
- SAS doctors and trainee doctors £70
- Nurses and allied health professionals £50
- Students £30

CPD points applied through the Royal College of Physicians.

10% early bird discount if delegates book before 15 July 2017

**BOOK NOW – [www.exeter.ac.uk/medicine/cpd](http://www.exeter.ac.uk/medicine/cpd)**
