

BRITISH ASSOCIATION OF STROKE PHYSICIANS
ADVANCING STROKE MEDICINE

BASP Trainee Weekend 2019

Friday 15th – Saturday 16th March 2018

**Exchange Building, Jubilee Campus,
University of Nottingham**

Join us for an exciting two-day meeting on advances in stroke medicine, delivered by leading experts in the field. Suitable for trainees, students, consultants and specialist nurses in stroke medicine, geriatric medicine, neurology, acute/general medicine, or primary care.

Talks include:

The future of thrombolysis
Managing elevated BP in acute stroke
Remote ischaemic conditioning
Advances in stroke rehabilitation
Acute dizziness for stroke physicians
TIA mimics and chameleons
Cerebral small vessel disease
Acute stroke imaging workshop

Online registration will be open from December 15th until March 1st.
Registration: £40 BASP members, £80 non-members, £30 students.
