

**6th Advanced Stroke Care conference
Training day for stroke researchers
10th April 2017
Centre for Life
Newcastle upon Tyne**

09:45	Introduction
	Morning Chair: <i>Dr Akif Gani, Consultant stroke physician and Geriatrician, Newcastle upon Tyne NHS Foundation Trust.</i>
	Setting out the Priorities for the Training Day <i>Dr Anand K Dixit, Consultant Stroke Physician, Newcastle upon Tyne Hospitals NHS Foundation Trust Speciality group lead, stroke medicine, NE and North Cumbria LCRN</i>
10:00	MRI brain sequences including MR angiography made simple for stroke researchers: <i>Dr Amar Chotai, Interventional neuroradiology fellow, Newcastle Upon Tyne Hospitals NHS Foundation Trust</i>
10:45	Mechanical thrombectomy (MT): Current evidence (up to 6 hours from onset) Challenges in implementing MT nationally and regionally and way forward. <i>Prof Phil White, Professor on interventional neuroradiology, University of Newcastle upon Tyne and honorary consultant neuroradiologist, Newcastle Upon Tyne Hospitals NHS Foundation Trust</i>
11:30	Coffee break
11:45	Detection of paroxysmal AF- Unmet need and an opportunity for regional research project. Role of non-invasive cardiac monitoring and implantable loop recorder in detection of PAF. <i>Dr Anand K Dixit, Consultant stroke physician, Newcastle Upon Tyne Hospitals NHS Foundation Trust and honorary senior clinical lecturer, University of Newcastle upon Tyne</i>
12:30	Lunch Break

	Afternoon Chair: TBC
13:15	Interactive Case Studies in Managing Hyperacute Stroke- beyond 6 hours from onset <i>To be confirmed</i>
14:15	Ongoing hyperacute non interventional stroke trials and current evidence for reperfusion beyond 6 hours. -Topic will cover current and upcoming hyperacute stroke trials portfolio, current evidence to manage wake up strokes and use of advanced imaging to make decisions in treating beyond 6 hours <i>Prof Keith Muir, SINAPSE Chair of Clinical Imaging (Stroke & Brain Imaging), Institute of neurosciences and psychology, University of Glasgow</i>
15:00	Coffee break
15:20	Title to be confirmed <i>Professor Gary A Ford CBE, FMedSci, Prof of Stroke Medicine University of Oxford. , Chief Executive Officer of the Oxford AHSN.</i>
16:00	The triumphs and challenges of stroke rehabilitation research <i>Prof Helen Rodgers, clinical Prof of stroke care, Institute of Neuroscience and Institute for Ageing, University of Newcastle upon Tyne.</i>
16:45	Feedback & Close
